

P5/6 Term 1 Newsletter

Be Ready

Be Respectful

Be Safe

Welcome to Primary 5/6! We hope you all had a fantastic summer break and are feeling refreshed for the exciting year ahead. We are delighted to be teaching P5/6 this session and look forward to getting to know everyone. We look forward to working closely with you throughout the year and making this a positive and rewarding experience for everyone.

Mrs Mohammed and Mrs Kilpatrick

Weekly_ Information

P5/6K - P.E kit on
Wednesday & Thursday.

P5/6M - P.E kit on
Wednesday & Friday

Children must bring a change
of clothes for P.E days.
Girls will get changed in a
private space and boys, in
the classroom.

Deodorant is encouraged for
personal hygiene.

Seesaw

Learning will be shared on
Seesaw weekly. You can
view and interact with the
photos and learning. Seesaw
will be the place where we
post messages and
information. Please make
sure you check the app on a
regular basis.

Literacy

Reading

We will be starting our class novel 'Wonder' over the next week and this will include a variety of comprehension strategies and finding information from the extract.

Writing

This term, we will be developing our descriptive writing. We will focus on our seven descriptors as well as writing detailed paragraphs based on characters and various settings.

To expand our writing, we will include techniques such as similes and personification.

Spelling

We will be starting our new spelling approach 'Wraparound Spelling' at the end of September. More information to follow.

Weekly handwriting will also be carried out.

Numeracy

Over this term, both P5/6 classes will be developing their place value

knowledge as well as the four operations (addition, subtraction, division and multiplication). In our maths, we will be covering shape and grid references.

We will be covering mental maths daily in class with approaches and strategies demonstrated and children independently answering questions.

IDL

In Term 1, we will be touching on the Human Body - looking at the nutritious wheel.

We have recently finished our class charters where we spoke about our rights and promises for the classroom and will always refer to this throughout the course of the year to ensure rights are being heard.

Furthermore, we will be looking at Sustainable Practices and Ethical Trading and explore the world of Fairtrade.
