

P4 Term 1 Newsletter

Be Ready

Be Respectful

Be Safe

Welcome to Primary 4! We hope you all had a fantastic summer break and are feeling refreshed for the exciting year ahead. I am delighted to be teaching P4 this session and look forward to getting to know everyone. I look forward to working closely with you throughout the year and making this a positive and rewarding experience for everyone.

Miss C Brown

Weekly_ Information

P.E kit on
Wednesday & Thursday

In P4 we have value mascots to represent each of our school values. One child will get the chance to take one of these mascots home on a Friday and bring them back on a Monday. You are encouraged to share photos of what your child and the mascot get upto at the weekend with myself via
seesaw

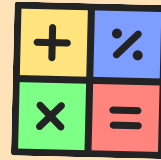

Seesaw

Learning will be shared on Seesaw weekly. You can view and interact with the photos and learning. Seesaw will be the place where we post messages and information. Please make sure you check the app on a regular basis.

Literacy

This term our class novel is the Wild Robot and we have a writing focus on description which we will explore through PM writing.

Numeracy

This term the children will be learning numeracy through a spiral approach. This is where children will build on a new maths topic each week and it will be revisited each term. This will help children with their recall on different numeracy facts.

IDL

Our topic this term in P4 is the human body. We will be exploring the organs, bones and muscles in our bodies along with the digestive system. Then at the end of the term we will use all our knowledge to create a research project which will be presented to the class.
